Gen. 194 e.

482-B

Office of the Raja.

Rule 37 contemplates a licence for going armed on a journey in or through any State. In the form of licence in Form XX, the licensing authority is to specify th place of departure, route and the place of destination. If the powers are restricted to be exercised within the limits of the jurisdiction of a Sub-Divisional Magistrate, he would not be competent to issue any licence for a journey if the place of destination is beyond the area of his jurisdiction. If this is intended, the draft at page 5 is in order.
